Art Wall Triptych of Modernist Frieze Panels

Architectural series of three decorative sculptural art wall panels.

A modernist frieze with brass and gesso relief.

Each individually fabricated and will vary from image as shown but can be recreated as close as possible or customized within certain limitations.

Materials: Gesso relief, steel, unlacquered raw brass with natural imperfections.

Frame: Steel with oil-rubbed bronze finish.

Size: 72"w x 3"d x 39"h

Each panel is 12"high and the total height of all three as shown is 39" total height.
(Panels can be spaced differently at installation.)
